

Pre-cast Terrazzo Top Stair Stringer.

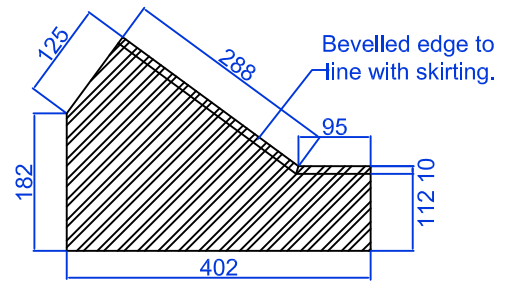

Pre-cast Terrazzo Intermediate Stair Stringer.

Typical Pre-cast Terrazzo Stair Section Detailing String Pieces

Detail A- Finished Top Edge Detail

Detail B- Stringer / Stair Tread Interface

Pre-cast Terrazzo Lower Stair Stringer.

Pre-cast Terrazzo Stair Stringers:

The above design is an indication of the range and versatility of terrazzo. Pre-cast terrazzo stair stringers can be produced to bespoke designs to suit site-specific requirements. Lengths, widths, thicknesses etc. can be calibrated to required dimensions. The units can be cast to colour-match a chosen design or an existing finish.
